

FROM THE SHADOW MOUNTAIN CLUB
AT PALM DESERT, CALIFORNIA
THE SMARTEST ADDRESS ON THE AMERICAN DESERT
OCTOBER, 1953

STAFF ANNOUNCED BY NEW MANAGEMENT AT SHADOW MOUNTAIN CLUB

Floyd Dawson, widely known Club Manager, is Past President of the Club Managers Association of America in the Northwest. Mr. Dawson comes to us after six successful years at the University Club of Portland. He has used his wide acquaintance in the Club field to bring to Shadow Mountain Club an outstanding staff of Club personnel. Personal "on the ground" investigation of his record in Portland indicated nothing but the highest praise for his executive and organizing ability.

CHEF DANIEL BEER

Chef Beer, native of Switzerland, was chosen by the Swiss Government to be the Chef at the Swiss Pavilion of the New York World's Fair in both 1939 and 1940. Chef Beer brings to Shadow Mountain Club 28 years' experience, including a position as Head Chef at the Palace Hotel in San Moritz, the Trocadero Restaurant in London, and the British Colonial House in Nassau. He was Executive Chef at the Washington Athletic Club in Seattle for seven years, and comes to Shadow Mountain Club from the La Playa Hotel in Carmel, where he has been Head Chef for the past two years.

CLUB MAITRE D'HOTEL

Club Manager, Floyd Dawson, announces the selection of Frank Constant as Club Maitre d'hotel for the current season. Maitre d' hotel Constant has been employed at the Jonathan Club in Los Angeles for the past several years, and prior to that was Maitre d'hotel at the Hotel Del Mar. Previous to that he was employed at the Hotel Netherlands Plaza in Cincinnati for several years. He served his apprenticeship in several New York hotels, including the old Murray Hill and the Garden City hotels.

Service in the Clubhouse this year will take on the quiet sophistication and correct attitude that comes with a full crew of Filipino waiters.

SOCIAL SECRETARY

Nancy Kendall, of La Jolla, California, has joined the Staff of the Shadow Mountain Club as Social Secretary. Miss Kendall has just concluded a successful summer season as Director of Social Events at the new Hotel El Charro in La Jolla. A former swimming champion, representing the Los Angeles Athletic Club, she swam in a major competition from 1944 to 1947, at the same time attending Pasadena Junior College. During the War Years, along with such great stars as Johnny Weismuller, Sam Lee, Dutch Smith, and Norman Spears, Jr., she starred in swimming exhibitions at various Army and Navy Hospitals and Bases. Being a well-known professional instructor today, Miss Kendall will teach daily at the Club in addition to her duties as Social Secretary.

ASSISTANT MANAGER

Don Hughes, the congenial gentleman known to all Shadow Mountain Club members, has received a well-deserved promotion to Assistant Manager. It is said that Don knows and can call by name several thousand Shadow Mountain Club members and visitors, a gift that serves him well in greeting thousands of members and guests throughout the season.

MAINTENANCE

Tom Parker is a quiet, soft spoken gentleman of English birth. His retiring manner belies the fact that he is the genius behind the transformation of desert sand to the beautifully landscaped Oasis that Palm Desert, and especially Shadow Mountain Club grounds, has become. Tom has had charge of all landscaping and maintenance work for Palm Desert's two thousand acres during the last six years. He will now devote his entire time and talent to making Shadow Mountain Park one of the show places of America.

INFORMAL "POOLSIDE BRUNCH" NEW FEATURE

For members and guests who wish to relax around the pool or gather informally on the beautiful terraces, Chef Beer has planned a special menu to be served from 11:00 a.m. to 2:00 p.m. on Sundays.

TENNIS PRO TO RETURN

Popular Vini Rurac and his charming wife, Magda, who is in her own right a champion tennis player, will again hold forth at Shadow Mountain Club. The Ruracs have had a successful season in the East this past summer, adding to their very colorful careers.

Lessons for children ages 8 to 14 will resume on Saturday mornings. The courts are reserved for adults at all other times except for Thursday evening between 4:00 and 5:00 p.m.

Vini will again have tennis accessories available this year.

THE SANDBAR

Members will be pleasantly surprised to find charcoal broiled steaks and sandwiches available this year until MIDNIGHT. Coffee will be available at all hours.

This outstanding new Club feature is expected to be an immediate hit with late diners desiring a light meal.

RESERVATIONS NEEDED

It will be the policy this year to honor and assign tables in accordance with the order in which they are received. Tables are numbered and No. 1 reservation will be assigned to No. 1 table etc. Strict compliance of a new rule against tipping for table preference will be enforced.

Reservations will be limited to the capacity of the dining room and guest cards will not be honored until members are accommodated. We suggest that you make reservations early to avoid disappointment. The management wishes to point out that overcrowding, while it might serve to please a few late comers, is detrimental to service and unfair to the large majority.

NEWS FOR EQUESTRIANS

The Lisle Nixons are returning about October 10. Equestrian activity will rank high on the agenda of Club activities for the New Season. The Nixons are returning from their Wyoming Dude Ranch earlier than in previous years, and with more horses. The development of Shadow Mountain Park as a select residential estate area will necessitate the removal of the Stables to another site in the Palm Desert Community. However, spacious stables, and steadily increasing activity for horsemen and their families, are assured for the Club and for the Community at a nearby site.

JUNIOR TENNIS AWARDS DINNER OCTOBER 30

All Juniors are invited to attend an awards dinner to be held Friday October 30, at 6:30 p.m. honoring Cecily Bond and Charles Clark, winner and runner-up in Junior Tennis Championship Tournament. Reservations should be made with the Maitre d'hotel as soon as possible; price of the dinner will be \$1.25. Mr. and Mrs. Gene Roberts will serve as chaperones.

STAG LUNCHEON EVERY SATURDAY

The Indio Room will be reserved for men only from 11:00 a.m. to 4:00 p.m. on Saturdays. A special menu featuring sirloin tips and barbecued ribs will be served. A TV is available to tune in the major sports broadcasts and card tables will be provided. Games such as Pitch, Gin Rummy and Bridge will probably prevail. Luncheon—\$1.25.

SUNDAY BUFFET

Members attending the Informal Opening will be apprised of the high quality and beauty that will characterize the regular Sunday Buffets this season. Further good news to members will be a lower price and a two price buffet determined by choice of entree.

TENNIS TOURNAMENT

Chairman Gene Roberts announces an inter-club tennis tournament to be held the weekend of October 23-24-25. All members are eligible to enter. Semi-finals Saturday, October 24. Finals, Sunday, October 25. Contact Gene Roberts or Bill McLauchlan for entry.

CHUCK WAGON BUFFET

Square dance enthusiasts will again hold forth on Thursday evenings. There will be an hour of instruction for teenagers from 5:00 to 6:00. All adults are invited to participate in the evening dancing and at the beginning of each session a short instruction period for beginners will be held. Western garb, of course.

NO PETS ALLOWED?"

Attention all canine members of the Shadow Mountain Club. The "dog house blues" are over with the building of a kennel on the grounds. Family pets can now stay on the premises and still follow the proposed new ruling of "no pets allowed." Can't say we haven't beaten this problem.

ARTIST'S CONCEPTION OF THE NEW SHADOW MOUNTAIN PARK

JACK BAILEY TO M.C. OPENING PROGRAM

Jack Bailey, star of television's "Queen For a Day" program will M.C. the outstanding professional floor show for Shadow Mountain Club's informal opening. One of Hollywood's first television stars he has probably appeared on more television shows than any one in Hollywood. Bailey was one of the comedy stars of "Meet the People" and has just completed the picture "Queen For a Day."

Show Time—eleven P.M.

SNACK BAR PROVIDES JUNIORS' RUMPUS ROOM

One of the many improvements at the Shadow Mountain Club this year will be the glassing in of the Snack Bar to provide a rumpus room for the teenagers and children. The glass enclosure will provide warmth during the cool winter months while the children are enjoying ping pong and other games supervised by Miss Jean Hanousek in conjunction with Miss Fern Hankins and a group of Volunteer

mothers. It was also proposed that a fireplace be erected for weiner roasts etc. The development of the rumpus room is a continuation and improvement of the policy at Shadow Mountain Club, which has always been known as a family club. A healthy and wholesome atmosphere will be provided for the children and they will be away from the evening activities in the main club house. Several prominent members have offered to donate money to get this project started. One of them is Cliff Henderson, club founder who has always been interested in the welfare of children. Any one interested in this project please see Miss Hanousek for information.

While we realize that parents do not wish to have their children with them in the sophisticated atmosphere of the main club house later than the six p.m. to eight p.m. family hour. We also recognize that securing reliable baby sitters is a real problem and may at times prevent you from attending club events. Providing a special place for children under excellent supervision seems to be the answer. All parents should give this worthy project their immediate support.

LADIES' TOURNAMENT TO OPEN GOLF SEASON

Opening golf this season will be the Ladies' Medal Play Tournament to be held on the Pitch and Putt course at the Shadow Mountain Club. The tournament will start at 9:00 a.m. Monday, October 19 and entry blanks can be had at the pro shop from Mr. Schutz.. Chairman Mrs. Ruth Hubble and committee members Mrs. Louis Keightly and Mrs. Edward C. Ruge have also planned a luncheon at the Club house following the tournament when prizes will be awarded. Bridge and canasta will follow on the upper terrace.

MANY ATTEND SMC POOL OPENING

Among the early season arrivals at the Shadow Mountain Club were Edgar Bergen and his daughter Candy. Mr. Bergen and Candy flew in to Palm Desert to celebrate the opening of the pool along with other Club members and their guests. Although show business has been kept from Candy she, like her father, has a great deal of talent and recently surprised the family with some expert ventriloquism.

PALM DESERT HAPPENINGS

Something new has been added to the PALM DESERT ADOBE and it's the HARSTADS (Marilyn and Jim). They came fresh out of northern Minnesota to brave our mid-summer heat and get the ole' Adobe in readiness for the new season. The Harstads bought the Adobe from the Vernon Pecks at the close of last season. They have been thinning out their blood in a furious program of painting, planting and cleaning for their opening, which occurred on October 1. They will continue the Adobe's famous Friday night cocktail parties. The first of the season, will be on October 16. What happened to the Pecks? Well, they went to the Virgin Islands for the summer looking for a likely investment venture but toward the end of August they wandered back into town and moved into the Haskins place in Haystack Ranch, up the hill in back of the new Shadow Mountain Park development. Vern has mounted a new telescope on the roof and purchased a new faceting outfit. At night he studies the stars and during the day he is busy cutting gems for his growing collection.

The REUBEN BUCKS are ready for the new season with their attractive SAMAREU GUEST APARTMENTS and pool, located at the Club gate. The Bucks were open all summer and did a fine business with the increasing number of visitors who are discovering that summer on the desert has many delightful phases. People who wonder about that name SAMAREU are advised that it is a combination of the names of Reuben and Marjorie Buck, the owners, and their young son Sam. They have a cat as black as sin—named Satan of course.

TWIN PALMS, Bob Sturgeon's pioneer and delightful hotel-apartment development is installing a new swimming pool for guests. Bob says that the pool will not detract from his usual flower bower and that he expects his establishment to maintain its leadership in beautiful landscaping. Bob also reports that his bookings are away ahead of any season since he opened TWIN PALMS.

Many former guests will be disappointed that THORNE and PAM HOLMES are not returning this year as managers of FIRECLIFF LODGE because Thorne has entered his own business at Fort Bragg, Calif. The new managers will be OWEN and MARY ANN HUDSON of Balboa. They are reported to have long and successful experience in management of top quality resort properties. FIRE-

View of the fine facilities for aquatic sports at our famous Shadow Mountain pool.

CLIFF will open on October 16 for the informal opening of the Club.

Mrs. HUDSON B. WERDER has added a personal dwelling with an extra rental unit to her fine SHADOW MOUNTAIN TERRACE establishment. This releases her former apartment as another unit for her place and she now has hotel rooms for rent in addition to her former apartments.

The Shadow Mountain Play School opened on the Club grounds on September 14 under the supervision of Fern Hankins. Children may be enrolled on a daily, weekly or monthly basis. The little school is primarily a pre-kindergarten school planned for children from age two to school age or it may be used as a drop-off for older children. This is an advantage for parents and grand-parents visiting Palm Desert during the season. Rates may be secured at the Club office.

The FLOYD MITCHELLS of Palm Desert are on an extensive three month tour of Africa.

The WILBUR BEARS have returned from a round-the-world tour that took about four months. "Never missed a meal and never felt better" said Mr. Bear. Looks like lots of interesting pictures are coming up for future Club programs.

Dr. Martin Baker's new home is in the final stages. Dr. Baker is the new minister of the Palm Desert Community Church.

The RANDALL HENDERSONS broke ground for their new home in September.

Dr. MARSHALL and ELOISE GATES of Pasadena will be starting to build their new apartment hotel as this is on the press. The new establishment will be known as GATES OF THE DESERT. The plans call for 14 apartment units, 10 of which will be built immediately. There will be a swimming pool and each unit will have a private patio. The new project is being built adjacent to the SAMAREU APARTMENTS.

Ground has been broken for the THOMAS GREENLIEFS on Larrea Drive for a new 6 unit apartment project. The Greenliefs are formerly from Santa Monica and the new units are being built by Gene Roberts.

Our new neighbor A. R. Ahrens, formerly a Packard dealer in Huntington Park, has bought the Buick agency in Indio from Glenn Gurley.

Mrs. L. E. Talbot, owner of the SUN AND SHADOW APARTMENT HOTEL arrived recently from the Northwest to open her lovely place. Mr. Talbot will be down to join her soon in owner-management for the season.

Mrs. Helen Roberts has opened the HOUSE OF RILEY for the season. This is Palm Desert's oldest apartment.

The Don McNeily's have been busy since their return from a Summer spent in Canada getting everything shipshape at their attractive GREEN PALM LODGE. They have added a new office at the front of their property and Don says his bookings indicate his biggest season so far.

NEW HOUSE RULES SUGGESTED

A new House Committee has been appointed on a temporary basis, subject to approval by a new Board of Governors of the Club to be elected probably sometime in October. At two lengthy and highly successful meetings conducted in the Club lounge on September 18 and 25 by Leland Quick, items of policy were thoroughly discussed and the vote of the committee was in favor of recommending the adoption of the following House Rules:

Annual membership dues to remain temporarily at \$100 plus tax with the Club year starting on October 1.

Initiation fee to remain at \$200 plus tax.

A three day Guest Card could be issued by a member to a friend but no guest could have more than one card during any one year. No guest could secure three cards, for example, from three different members.

A special 10 day membership will be granted to approved applicants for \$25.00 plus tax and a special 30 day membership for \$50.00 plus tax.

There will be no special summer memberships issued on any basis.

Regular membership will include all minor children. Children over 21 may have an Associate membership for \$25.00 plus tax if living at home. This membership will not be granted after age 25.

Self supporting children of a member who have reached their majority shall pay the regular membership fee but they will be relieved of any initiation fee.

From the formal opening in November to, and including, the first weekend in April, coats and ties on gentlemen are obligatory in the dining room after five o'clock, regardless of the type of shirt worn. Special events and square dances are exceptions. Such unconventional attire as shorts and dungarees are not allowed in the lounge at any time. Persons in bathing attire may be served on the terrace during the day.

Positively no pets of any kind are allowed on the Club grounds at any time. Quarters will be provided where visiting pets may be left.

Members may tip in the dining room and bar according to their desires except that it is strongly urged that no tips be offered the Maitre d'Hotel for any special consideration or table placement. All tables in the dining room will be assigned on a "first come first served" basis and all members shall be treated with equality. The reservation list will be strictly observed. Members are to have priority over

MESSAGE FROM THE NEW OWNERS OF SHADOW MOUNTAIN CLUB

Shadow Mountain Park, Inc., is the name of the new corporation now owning the Shadow Mountain Club by recent purchase from the original developers—Palm Desert Corporation. The new corporation was formed by about 300 members of the Shadow Mountain Club and the purchase included ninety-plus acres surrounding the Club grounds including present recreational facilities.

This property was purchased for \$569,000. An appraisal made by Marshall & Stevens, nationally known appraisal firm, for the Corporation Commissioner of the State of California, indicated a sound valuation of \$1,212,000 and a replacement figure about 50 per cent greater. This figure was composed of \$315,500 for undeveloped acreage; \$760,995 for the Shadow Mountain Club and all its facilities, \$131,817 for equipment and \$4,057 for mobile equipment. The appraisal figure did not include any intangible values such as the admittedly high value of the membership list of 1300 members, food or liquor or the valuable liquor license. And, of course, it did not include any value for goodwill; an enormous asset that has been built by several years of favorable and expensive publicity paid for by the previous owners.

The entire property will be walled in and about sixty acres will be subdivided into residential sites for lease to Shadow Mountain Club members only on a 99 year lease basis.

All members of the old Club who are in good standing are being taken into the new Club and all Life Members (10 of them) are being extended Life Membership privileges without further charge except annual tax on the dues they would ordinarily pay. Investors in Shadow Mountain Park, Inc., will henceforth be known as Founder Members.

guests in the main dining area. An annual Christmas contribution of \$5.00 will be asked of each member to be divided among the unseen help.

A minimum cover charge of \$2.00 per person will be charged on Thursday and Saturday evenings for dancing and entertainment except in the bar. The \$2.00 charge may be taken in food or liquor.

The parking area nearest the club house will be plainly marked FOR MEMBERS ONLY while guests will be directed to the area at the rear of the clubhouse.

The names of delinquent members will be posted, when no legitimate excuse for non-payment of obligations is offered to the House Committee.

Children under fourteen are not allowed on the dance floor in the evening and they should leave the dining room by 8:30 p.m. The snack bar is being converted into a playroom and game room for children.

Members of the House Committee are Dudley Steele, Monte Wenck, Jerry Malone, L. C. Lewis, Theodore Smith, Wilbur Bear, Jason Joy, Vernon Peck, Mrs. Dorothy Siemen and Mrs. Ned Blades.

If any member has additional suggestions they should be sent in writing to House Committee, Box 14, Palm Desert, and they will receive consideration.

PALM DESERT HAPPENINGS (Continued from page 4)

Desert Air Hotel and Airpark is one of the most unusual vacation spots in the desert. Its two 3000-foot grass runways permit the air-minded guest to taxi an airplane right up to the swimming pool and just a very short stone's throw from the well appointed air conditioned cottages. The beautiful glass enclosed compass room was reopened on September 4 after being closed during the month of August. Twilight brings its own special magic to Desert Air. Each night a friendly and congenial crowd gathers in the Luau hut for cocktails and dinner in the Compass Room. Charlie Travis entertains nightly at the piano bar with songs old and new.

TAKES ON NEW FACE

The interior of the main club house at the Shadow Mountain Club is getting a face lifting in preparation for the informal opening October 17. The main project of repainting and furniture repair will be topped off by the removal of the three center posts on the dance floor. . . . No more peeking around the posts to see the floor show. One of the biggest improvements will be the use of the charcoal broiler during dinner and up until 12 p.m.

WHY HAVE A WALL?

Several of our members, including some of the stockholders in Shadow Mountain Park, Inc., have asked the above question and we are happy to take this opportunity to bring to our membership again the reason for walling in the 90 plus acres which the new corporation has acquired.

The idea of the wall around the property is not the decision of any one individual but it was part of the original Davis Plan and information about it was sent to the entire membership in the brochure that was mailed in June. At that time the prospectus said "it is the plan to landscape the grounds and immediately surround the ninety-plus acres with an attractive wall. Roads will be built and utilities will be installed underground."

To do less than this would be a breach of faith to the more than three hundred Founder Members who made acquisition of the Club possible. If no wall is built it will mean that there will eventually be more than 200 other walls within the property for it is necessary for every lot to have a flood wall. To have more than 200 walls of varying heights, thicknesses, colors and materials and a sea of telephone and utility poles would indeed offer nothing like the park effect which is the attractive feature of the Davis Plan.

Lessees within the wall have a distinct advantage in that they have no necessity for building a wall around their leasehold and this factor alone will save them from \$1500 to \$2000 plus the fact that in the future they will have no taxes to pay on any wall they would have to build.

The wall is protection; protection from unwanted visitors, protection from intruders, protection from water. If there is no wall then all streets passing through the property would have to be 60 feet wide and deeded to the County. With a wall there will be no through traffic and streets will not have to be so wide. This gives more ground for sale or larger lots and the inhabitants are freed of a great deal of traffic passing their doors.

Privacy—beauty—quiet—safety—economy; these are the reasons for the wall.

Marvin W. Matthias is the Secretary-Treasurer of Shadow Mountain Park, Inc. He will resign at the first stockholders' meeting but it is anticipated without doubt that he will then be reelected for no one is in possession of the knowledge of the affairs of both corporations as is Mr. Matthias. A Certified Public Accountant, Matthias will be the representative of the new owners of the Shadow Mountain Club on the Club property at all times.

PALM DESERT BRIEFS

All of our doctors have returned for the new season. Dr. Robert Morrey has not only moved to Palm Desert but has opened new offices in the Patio Shops. Dr. H. S. Hanson has returned after spending the summer in the east following the marriage of his daughter Beverly, former Women's Open Golf Champion. Dr. Charles Alexander has returned to his offices after summering in Illinois. Dr. Cockerill, our dentist, is expected back from Dayton, Ohio, any day now. . . . Mrs. Edna Value, loyal Club member and almost a daily visitor at the Club, is scheduled to be in residence as this goes to press. . . . The Dudley Steeles are now in their new over-sized sun lodge, decorated by Club members Rudd and Evelyn Hackborn. . . . The Tom Browns are moving into their wonderful new home during the first week in October. Tom had one of the showplaces in Palm Desert, featured in an earlier issue of Sun Spots, but he has built a much larger and finer place. . . . The Joe Moons (American Appraisal Co.) bought the pink Hansen house last Spring but left it to move into Don Neilsen's big new home on Ironwood Street. A fine pool has been widely used all summer by his neighbors. . . . The Leland Quick's had an extensive trip through the Northwest as did the Larry Cotners and the Rudd Hackborns. Mrs. Hackborn visited her mother in Ontario and the Cotner's were at Banff and fished the Jackson Hole country. . . . The M. H. Haslers and the Herbert Pritzlaffs are still in Europe. . . . Cliff Henderson didn't get away anywhere this year because he had to stay close to the Club purchase deal.
